

Dear Graduates and Parents,

Lifetouch will be opening our studio In St. John's we are lucky to have a photography studio at 6 Howlett Ave. Starting on Monday March 29th, we will be offering studio sessions at this location.

To book an appointment time please go to this link

https://booknow.appointment-plus.com/1dqjcnzg/?&e_id=11537 Choose St. John's Studio as the school and then pick a 20 min appointment time and follow the instructions to book the appointment.

If the link does not work for some reason please visit lifetouch.ca/nl under the section Book your appointment today please chose St. John's Studio from the drop-down box.

Please note it is important to book an appointment ASAP. We will add more appointment slots once the dates fill up but we will only have a 2-3-week period available right now. If the number of Covid cases grow significantly (which we hope they don't) we could be asked to close so getting photographed now is important.

There is a \$25.00 sitting fee paid to the photographer at the time of the sitting and each graduate will have 10-15 different photographs taken.

We will still provide yearbook photos and a wall composite to the school so it is important for all graduates to be photographed.

Please read the instructions found on our website link (provided) relating to our Covid-19 Protocols and Photography details.

If you have any questions please email me at lpaul@lifetouch.ca or call 364-7518.

Thank You!
