SafeArrival School Messenger works with PowerSchool but it sends home notifications separately from PS.

Absences will be updated the end of day (when you enter an excused absence, you may still receive absence notifications until the absence is updated the end of day)

If you are reporting an absence you will now call 1-(844)-408-9360. You can also download

the safe arrival app  SCHOOLMESSENGER®
and set up an account by going to go.schoolmessenger.ca
