Writing 2203, ***Drama 2206, French 1200	<u>French Immersion</u> 1. English 1201 2. Math 1201 3. Math 2200 4. Sciences Humaines 1231 5. Science 1206 6. *Chemistry 2202 7. *Biology 2201 OR Physics 2204 8. Français 1202	*All IB Diploma students MUST take one science: those planning to study two sciences may take a combination of IB Chemistry and IB Physics OR IB Chemistry and IB Biology. In preparation for any IB science course, students will take the level 2 course in each science. Those intending to take one science and IB Music in grade 11 should register for the 2000-level science course and an elective such as a Healthy Living/Phys. Ed. or Fine Arts course to satisfy graduation requirements. Fine Arts & Physical Education credits are either completed in grade 10 or 11 or via CAS.
	Provincial graduation requirements completed in grade 10 IB French fulfills the Optional Language & Other Required Courses (ORC) graduation requirements. IB Spanish 3283 & 4283 do not fulfil Optional Language Arts credits. English stream students either complete Writing 2203, Drama 2206, French 1200 (Optional Language) in grade 10. **These courses all fulfil required graduation credits for Optional Language Arts. *** <i>Students intending to do the Performing Arts Certificate must register for Drama 2206 as their Optional Language Arts course.</i> ToK 3183 + ToK 4183 fit the ORC (Family Studies). Career Ed. course completed in last six weeks of grade 12 – independent project.		

To complete the full IB Diploma Program students must take one course from each Group in Grade 11 & 12 plus successfully complete the IB Diploma Program Core: CAS + ToK + EE
